

TITLE VI

TITLE VI NOTICE TO THE PUBLIC:

Clay County hereby gives public notice that it is the policy of the county to assure full compliance with Title VI of the Civil Rights Act of 1964. This Act, along with related statutes and regulations, provide that no person shall on the grounds of race, color national origin, gender, age, or disability be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. The Civil Rights Restoration Act of 1987 amended Title VI to specify that entire institutions receiving Federal funds, whether schools, colleges, governmental entities or private employers must comply with Federal civil rights laws, rather than just the particular programs or activities that receive Federal funds.

We are also concerned about the impacts of our programs, projects, and activities on low income and minority populations ("Environmental Justice") under Title VI. Any person who believes that they are being denied participation in a project, being denied benefits of a program or otherwise being discriminated against because of race, color national origin, gender, age or disability, you may contact:
