

Service Area 3A Emergency Preparedness Grant Coordinator

The Emergency Preparedness Grant Coordinator is a grant funded position. Responsibilities are to plan, organize, and coordinate activities for Service Area 3A, which includes; Lyon, Sioux, O'Brien, Osceola, Clay, Dickinson, Palo Alto, and Emmet. These activities include communication, education, and collaborative efforts to prepare for an all-hazard response to emergencies, infectious disease outbreaks, and other medical and health threats. Dayshift with possibility of evenings/weekends related to grant requirements. Looking for applicants with either a two or four year degree in biological sciences, public health administration, hospital administration, nursing, emergency medical services or business administration. Applicant must possess a valid driver's license and auto insurance as travel is required. This position is full time and benefit eligible for the length of the grant.

All applicants will need to apply at www.averajobs.org
