

# **Clay County COVID – 19**

## **Notes from the Board of Supervisors**

Currently there are no confirmed cases of COVID-19 within Clay County, this remains a very fluid situation.

The Board of Supervisors and its employees are working hard to continue services to the citizens of Clay County while being mindful of health and safety. County offices have been closed to the public in an effort to prevent the spread of COVID-19. Business will continue through phone calls, emails and on-line.

A local COVID-19 call center has been established by Spencer Hospital. The call center is available from 7 a.m. to 7 p.m. Monday – Friday. The call center should be utilized to ask questions about the virus and evaluate if an individual needs to be seen or tested for COVID-19. You can reach the call center at **712-264-6514 or 1-800-848-0638.**

The Iowa Department of Public health has established a hotline for Iowans with questions about COVID-19. The line is available 24/7 by calling **2-1-1 or 1-800-244-7431.**

Recently, the State of Iowa's COVID-19 website went live. It serves as a centralized resource for the citizens of Iowa regarding impacts, symptoms, prevention and guidance as it relates to COVID-19. The link to the website is: <https://coronavirus.iowa.gov/>

The transfer station will be open from 8:00 a.m. to 12:00 p.m. on Saturday for those individuals who utilize this facility for their garbage disposal. They will not be accepting items that need to be paid to dispose of.
